

With offices in London, Paris, New York, San Francisco and Palo Alto, Centerview Partners is a leading independent investment banking and advisory firm. The firm provides advice on large and complex corporate situations, mergers and acquisitions, financial restructurings, valuation, and capital structure. Since the founding of the firm in 2006, the team has advised on more than \$3 trillion of transactions working with the largest companies in the world by market capitalisation.

Centerview Partners is ranked as the number 1 global banking firm to work for in Vault.com's 2024 survey.

The Summer Analyst Programme

The London office recruits for a summer analyst programme running during July and August each year. During the programme, the summer analysts will build a strong foundation in financial and strategic analysis, accounting and valuation methodologies and be exposed to a wide range of highly complex, corporate organisation and cross-border transactions. Each summer analyst will work as a core team member directly alongside experienced professionals and partners of the firm.

Dependent on performance, an offer to join the subsequent full-time graduate analyst programme may be extended.

Requirements

The firm is looking for candidates from any academic background who fit the following criteria:

- On track for a minimum 2.1 degree (or equivalent) from a leading university
- Analytical framework and intellectually curious
- Demonstrable interest in financial concepts and the investment banking industry
- Well-rounded individual with a passion for teamwork
- An outgoing nature and excellent communication skills

Application Process

Applications will be reviewed on a rolling basis and should be effected by submission of resume on the Centerview website <https://www.centerviewpartners.com/careers.aspx> selecting the "Undergraduate interested in Summer Internship" category and London office. Your resume should have the following name convention: LastName_FirstName_School_YYYYMMDD, where YYYYMMDD corresponds to the day of application submission.
